

TIA SUKHNANNI

📍 Jaipur, Rajasthan, India ✉ tiasukhnannis@gmail.com 📠 7240017609 🌐 in/tia-sukhnanni-a4bb28308 🌱 tiasukhnanni.online

SUMMARY

Computer Science (AI) student with hands-on experience in full-stack development and machine learning, building and deploying real-world applications using React, Node.js, MongoDB, and Next.js. Focused on practical problem-solving through clean engineering and rapid learning.

EXPERIENCE

Hackathon Participant

LNMIIIT

January 2026 – January 2026, Jaipur

- Participated in LNMHACKS 8.0, building a Web3-based web application under tight time constraints.
- Gained hands-on experience in rapid prototyping, teamwork, and problem-solving in a competitive environment.

Coordinator

JKLU

September 2025 – September 2025, Jaipur

- Coordinator organizer of Tug of War event, managing team formation, fixtures, and match operations.
- Developed coordination, and event management skills under real-time constraints.

PROJECT

CarePlus – Full-Stack Healthcare Platform

careplus-tau.vercel.app

- Designed and developed a full-stack clinic management system enabling online doctor appointments, real-time queue management, and virtual consultations.

BOLI AI Language Tutor – HackJKLU Pre-Hackathon 2026

github.com/TIA1106/HackJKLU • February 2026 – February 2026

- AI-driven conversational language tutor with adaptive quizzes, flashcards, and progress analytics.
- Built using Next.js, TypeScript, and NVIDIA NIM for real-time LLM inference.
- 1st Runner-Up – HackJKLU Pre-Hackathon 2026 (24 hrs).

TiaType Pro-AI-First Blogging Platform

github.com/TIA1106/tiatype-pro • July 2025 – July 2025

- Built an AI-first blogging platform using Next.js and AI APIs, enabling AI-powered content creation and editing workflows.
- Implemented authentication and database-backed publishing, supporting secure user access and persistent blog management.

EDUCATION

B.Tech – Computer Science & Engineering (AI)

JK Lakshmipat University (JKLU), Jaipur • 8.86 / 10

ACHIEVEMENTS

1st Runner Up – HackJKLU Pre-Hackathon 2026 (24-Hour Hackathon)

JK Lakshmipat University, Jaipur • 2026

- Secured runner-up position among 66 multiple teams by building a working prototype under strict time constraints. Awarded ₹4,000 prize; recognized by WsCube Tech for innovation and execution.

IBM Data Science Professional Certificate

2025

- Completed rigorous training in Python, SQL, data analysis, data visualization, and machine learning. Built and evaluated predictive models using real-world datasets, applied statistical concepts, and followed industry-standard data science workflows through hands-on labs and a capstone project.

SKILLS

Programming & Development: C, Python, JavaScript, React, Node.js, Next.js, MongoDB, MySQL
